

***Greater Wilkes-Barre Chamber of Commerce
New Member Benefit
“Electronic Check Recovery Program”***

Basic FARS Check Recovery Program:

- Unlike our competitors in the marketplace that charge annual fees to the merchants ranging from \$100.00 to as high as \$175.00, FARS has a one-time set-up fee of \$99.00 for all of its members. **For Greater Wilkes-Barre Chamber of Commerce current members, the cost will be \$79.00 if signed-on by August 31, 2005. New Chamber Members (March 2005 – December 2005) will have a one-time set-up fee of \$49.99 if signed within 3 months of membership.**
- **FARS** collects back 100% of the face amount of the check and returns the entire amount to the merchant, plus FARS provides “real time” (24/7) on-line reporting and tracking for the merchant.
- There is no special equipment to purchase or install.
- **75% of the NSF checks are collected within the first 5-7 business days and another 10% within the next 20 business days, totaling an 85% success rate!**
